

Spiritual Care and Health: Improving Outcome and Enhancing Wellbeing, International Conference

Programme & Registration Information

13 and 14 March 2012

The Beardmore Conference Centre, Glasgow

ABOUT THE EVENT

This interactive conference is for healthcare researchers, educationalists and practitioners with an interest in spiritual care. You will explore how its delivery may enhance patient outcome and the wellbeing of patients, their carers, staff and organisations.

Aims of the Conference

1. share up-to-date, ground breaking research to inform spiritual care education and practice.
2. promote relationships between researchers, educators and practitioners in the field of spiritual care from all over the world.
3. promote spiritual care as being an integral part of quality holistic healthcare which is person-centred, safe and effective.

LOCATION / VENUE

The conference will be held at the Beardmore Hotel and Conference Centre, near Glasgow. The four-star venue has a waterfront location on the banks of the River Clyde, just minutes from the M8. Glasgow International Airport is a mere 15 minutes away and Glasgow City Centre can be reached in 20 minutes by taxi. For more information, please visit:
