'A Common Consensus'

**Advancing Care of the Soul:
sharing best practice to promote spiritual health
Debrecen 2016
Moderator Hans Evers**

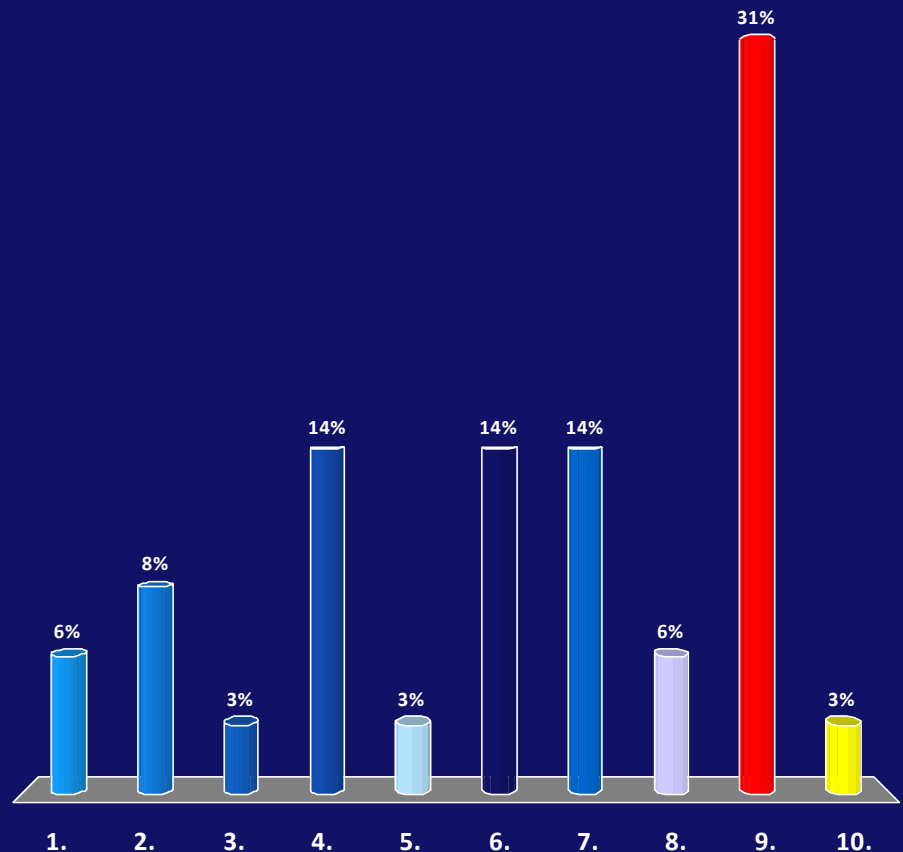

What will we have realised together by 2020?

1. Established the Research Institute
2. PROM in Netherlands and Belgium
3. Begun to disseminate research in different languages
4. Established a platform to easily share best practice
5. Bigger attendance at consultations
6. Convinced other of the importance of the RI
7. Publicity of education opportunities established
8. Multifaith consultations
9. Journal on European chaplaincy
10. Younger generation engaged

L **M** *Inventory and interpretation of relevant facts and meanings*

1. Develop best practice
2. Understanding the changing nature of Europe and sharing the importance of faith with others
3. Support diversity and unity
4. Promote the significance of Healthcare for the future
5. Opportunity for transformation
