Dear colleagues attending the ENHCC Anniversary Consultation:

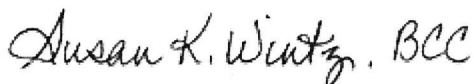

The Association of Professional Chaplains, the largest chaplaincy organization in North America, sends its greetings to you as you begin your 2010 Consultation. We celebrate with you as you commemorate the 10th anniversary of the European Network of Health Care Chaplaincy and 20 years of European chaplaincy.

The work ENHCC of has brought together chaplains from numerous countries to network, participate in education and share best practices for continuing quality within the profession. As you begin your consultation, our prayer for you is that this time be not only one of engagement and learning, but also of renewal. May your dialogue and fellowship bring to each of you not only wisdom, but also encouragement.

Know that while your American colleagues are unable to be with you in person, we are holding you in our hearts and prayers that the 11th Consultation may be a success.

We embrace the collegiality shared by our chaplaincy organizations and welcome continued correspondence from you, which can be addressed to Pat Appelhans, APC executive director.

Sincerely yours,

Rev. Susan K. Wintz BCC, APC President

Patricia F. Appelhans JD, APC Executive Director
