

Mennorode, Sunday June 10<sup>th</sup> 2012

Dear Fred,

For 12 years you have been part of this network and you have given it your best.

We are ever so grateful.

Many people have been touched by your kindness and goodness. You have a good heart. You are a good man.

Many people have been touched by your faithfulness. You are faithful in your commitments and in your friendships.

Those that have the good fortune to know you a bit better also know that you are a hard worker and a very knowledgeable man.

We are so grateful that you were our webmaster. Thank you for the countless postings, the quick reply's to emails, the improvement of the website and the countless upgrades.

Thank you for being the living memory of the network during all those consultations and committee meetings.

Thank you for taking the time (three days no less!) to pass your knowledge on to Jennifer and to offer continuous support when she needs it. Faithfulness again.

Thank you also for your assistance in this conference. We did invite you as a guest to thank you and have the chance to say our goodbyes but we put you to work again in the small groups and in the election process. It shows how hard we will miss you!

Fred, we do wish you all the best for your retirement!

For all you did we thank you!

Therefore the committee has decided to make you an honorary member of the network. You will stay close to us that way!

Every blessing!

Anne
