

ENHCC 2014
13th Consultation
Salzburg Austria

January 13th, 2014

Dear Friends,

It is a privilege to invite you to the city of Salzburg for the 13th consultation of the European Network of HealthCare Chaplaincy and I am looking forward to welcome you to this beautiful part of Austria! The consultation will start on Wednesday May 28th and end on Sunday June 1st.

Healthcare and chaplaincy, like society, are in continuous transition. Many feel that chaplaincy will need to change in order to survive. How do we see chaplaincy in the midst of transition? Do we have a vision? Where will chaplaincy be in 5 or 10 years? Therefore we chose as theme of the consultation: open for the future: envisioning chaplaincy in the midst of transition. The program that we put together for you offers exciting opportunities to discuss and learn.

The consultation will take place in Salzburg. I will give you only some small appetizers: Salzburg is the city of Mozart, music, art and many cultural events. And of course it is the city of The Sound of Music. Salzburg is located in a beautiful area. In Salzburg you can discover the beginning of Christianity in Austria with St. Peter as the oldest Benedictine Monastery on the northern side of the Alps. Hopefully these small appetizers awake your curiosity and desire to come.

We will gather at St. Virgil Conference Centre which is a 25 min. walk from the centre of Salzburg. From the airport or the train station it is quite easy to reach St. Virgil (<http://www.virgil.at/>). Detailed information will follow after we receive your registration form.

I am looking forward to welcome you in Salzburg, to work with you and also to have an enriching and good time!

Blessings,

Detlef Schwarz
